I. INTRODUCTION

A. Philosophy

It is the philosophy of the Chabot-Las Positas Community College District that supervisory/confidential hiring procedures and guidelines be established which provide for supervisors/confidentials of highly qualified people who are knowledgeable in their professional areas, who are skilled in supervising and/or performing the essential functions of the job, and who can assist in fostering the overall college effectiveness.

In addition, the governing board, represented by the administration, has the principal legal and public responsibility for ensuring an effective hiring process. To that end, it is our philosophy that the responsibility for selecting well qualified people involves the effective participation of appropriate personnel in the required phases of the hiring process.

B. General Principles

The following principles shall guide all activities related to the screening and selection of new employees:

1. The Chabot-Las Positas Community College District is committed to providing full, objective, and equal access to its recruitment and selection process for all applicants, regardless of race, color, religion, gender, national origin, ancestry, disability, age, sexual orientation, or marital status. The District is an Equal Opportunity Employer that fully respects and values the diversity of cultures, language groups and abilities of its surrounding communities and student body.
2. The District actively seeks applicants who demonstrate the required technical expertise, preparedness, competence, respect, and sensitivity that will enable them to effectively work in a multi-cultural, multi-lingual educational environment. The Board of Trustees, managers, faculty, and classified staff share the responsibility for assuring equal opportunity practices throughout the screening and selection process.
3. Emphasis is placed on the responsibility of the supervisory/confidential personnel to ensure the quality of their supervisory/confidential peers.
4. Hiring decisions shall comply with Federal and State laws, State administrative regulations, and the District commitment to equal opportunity, fairness, inclusion, respect of all candidates, and objectivity throughout the selection process.
5. Supervisory/confidential personnel, along with other appropriate personnel, participate effectively in their respective roles throughout the process.

6. Between the announcement of a vacant position and the selection of a candidate for hire, there is sufficient time to allow for a thorough, complete and thoughtful search.
7. All participants in the selection process receive appropriate training in equal opportunity and legal selection procedures so that fair and equitable treatment of all individuals can be assured.
8. Individuals, regardless of race, ethnicity, gender or language group, who are knowledgeable about and responsive to the College and District commitment to equal opportunity, are included on Selection Committees. Selection Committee membership shall be diverse, in order to broaden perspectives and to better represent the District commitment to equal opportunity.
9. Final hiring decisions are made and promptly communicated to the Selection Committee.
10. The Selection Committees and hiring administrators shall maintain confidentiality throughout, and following completion of, the selection process.

II. IDENTIFICATION OF VACANT POSITIONS

The Chancellor, or designee for the District Office, or the College President is responsible for identifying supervisory/confidential positions to be filled, through use of a thoughtful and well defined planning process.

To implement the results of the planning process, the Position Request (requisition) document shall be completed and submitted to Human Resources. The form will provide for the official approval of positions that are new to the Table of Organization (growth positions), replacement of existing positions, and modification of existing positions. It will also provide for general position information, justification and fiscal considerations.

III. DEVELOPMENT OF THE JOB ANNOUNCEMENT

The job announcement (emphasis on minimum qualifications per the class specification; desirable skills and attributes; and duties and responsibilities), will be developed by the appropriate hiring administrator. The drafted sections are forwarded to the Office of Human Resources, along with the Request to Announce document.

The Director of Human Resources (as the District's Equal Employment Opportunity Officer) may recommend changes in the announcement draft to assure equal opportunity and the absence of "desirable qualifications" that may adversely impact individuals based on race, ethnicity,

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

religion, gender, national origin (including language limitations), disability, age, sexual orientation, and/or marital status. The recommendations will be discussed with the hiring administrator.

The Office of Human Resources will review the draft document to assure overall compliance with legal standards, and will then prepare a final job announcement. The final document will be forwarded to the hiring administrator for a final review, and any substantive changes will be noted. The hiring administrator will notify the Office of Human Resources of its agreement with the final job announcement and the document will be prepared for publication.

Staff in the Office of Human Resources will provide a range of technical services, training and consultation, as appropriate, to assure that the job announcement, recruitment activities and screening/selection process, criteria, forms and documentation comply with applicable current laws and regulations, as well as District policies and procedures.

A. Elements of the Job Announcement

The supervisory/confidential job announcement shall include the following information:

1. Minimum qualifications (per the class specification).
2. A State-mandated requirement of a sensitivity to and understanding of the diverse academic socioeconomic, cultural, disability, and ethnic backgrounds of community college students (Title 5 regulations, section 53022).
3. Description of the primary duties and responsibilities (essential functions) of the position.
4. Additional, job-related (bona fide occupational qualifications), “skills and qualifications” such as:
 - Additional degrees, licenses or certificates
 - Special fields of training and/or experience
 - Specific experience
 - Other job-related knowledge, skills and/or abilities as appropriate
5. Standard (template) job announcement text that includes:
 - a. The Position (job title, department, location)
 - b. Salary (special funding information)
 - c. Assignment (time base, desired starting date)
 - d. Legally-Mandated Statement (within the MQ section)

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

- e. Address Inquires and Applications To Section (closing date)
- f. The Application Process (list of required application materials) which shall include the official district application form, cover letter, resume, transcripts-unofficial copies at the time of submission only, completed Equal Opportunity Employment Questionnaire-optional)
- g. Selection Procedures
- h. Summary of Benefits
- i. Salary Placement/Pay Period
- j. Information on the District and Colleges
- k. District Statement of Commitment To Equal Employment Opportunity

B. Special Requests

Special requests fall into several categories; however, most require additional handling and/or additional consideration. Some examples of special requests that should be noted on the requisition include, but are not limited to:

1. Requests for expanded job announcement distribution through professional organizations, targeting mailing lists, or listing provided by the department/division.
2. Requests for additional advertising resources for specific outreach in a professional area and to ensure that all persons, including persons from monitored groups, are provided the opportunity to seek employment with the district.
3. Requests for the inclusion of a supplemental application/questionnaire section on the job announcement (to support decision by hiring administrator/selection committee to develop supplemental document and establish it as required document for The Application Process.)
4. Requests for in-district search (per Title 5 regulation section 53021(b)(1) “in-house or promotional only” recruitment shall not be used to fill any new opening described in section 53021 (a), except when the position is being filled on an interim basis for the minimum time necessary to allow for full and open recruitment, provided however, that no interim appointment or series of interim appointments exceed one year in duration. An extension of up to one additional year may be approved by the State Chancellor if the District demonstrates “business necessity” as defined in section 53001 (b) - “Business necessity” means circumstances which justify an exception to the requirements because compliance would result in substantial additional financial cost to the district or pose a significant threat to human life or safety. Business necessity requires greater financial cost than does mere business convenience. Business necessity does exist where there is an alternative that will serve business needs equally well.

Per section 53021 (2), if a district believes justification exists for use of the exception listed in section 53021(b)(1), it shall notify the Equal Employment Opportunity Advisory

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

Committee and the Chancellor's Office at least ten (10) working days prior to offering the position to a candidate.

Per section 53021 (3), where in-house or promotional only recruitment is permitted, the district shall comply with its established hiring procedures and all district employees shall be afforded the opportunity to apply and demonstrate that they are qualified.

IV. RECRUITMENT

Supervisory/confidential personnel are encouraged to use their professional networks to advertise open positions.

Supervisory/confidential positions will be advertised for a period of 4-5 weeks. For hard-to-recruit-for positions, an "Open Until Filled" option may be requested for consideration by the Office of Human Resources. In such instances, the job announcement will indicate a First Review Date. If a Closing Date is utilized, an extension may be approved by the Director of Human Resources (or designee), prior to the Closing Date, if it is determined by the hiring administrator that an adequate pool was not achieved. Inadequate in this instance is defined as an insufficient number of applications to allow for a competitive process and/or insufficient breadth and depth of experience, or the pool is not diverse. (The Office of Human Resources will contact the hiring administrator near the Closing Date when the applicant pool numbers are low to request that the hiring administrator conduct a preliminary review of the applications. The hiring administrator may also initiate this action.)

Note: Per Title 5, section 53023(b), after the application deadline has passed, the composition of the initial applicant pool shall be analyzed to ensure that any failure to obtain projected representation for any monitored group is not due to discriminatory procedures. If necessary, the application deadline shall be extended and additional recruitment shall be conducted that eliminates discriminatory recruitment procedures and ensures that recruitment efforts provide for a full and fair opportunity for participation to a wide diversity of potential applicants. The analysis shall be conducted by the Office of Human Resources.

Per Title 5, section 53023 (c), before the selection process continues, the composition of the qualified applicant pool shall be analyzed to ensure that no monitored group is adversely impacted pursuant to section 53001(a) – "Adverse impact" means that a statistical measure ("4/5^{ths}" or "80 percent," rule" as outlined in the Equal Employment Opportunity Commission's "Uniform Guidelines on Employee Selection Procedures",) is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison. The analysis shall be conducted by the Office of Human Resources.

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

If adverse impact is found to exist, the District Chancellor (or designee) or College President (or designee) shall take effective steps to address the adverse impact before the selection process continues. Such steps may include, but are not limited to:

- 1. extending the deadline and undertaking inclusive outreach efforts to ensure that members of the adversely impacted group have equal opportunity to seek employment with the district;*
- 2. including all applicants who were screened out on the basis of any locally established qualifications beyond the state minimum qualifications which have not been specifically demonstrated to be job-related and consistent with business necessity through a process meeting the requirements of federal law or which are not among those which the Board of Governors has found to be job-related and consistent with business necessity throughout the community college system.*

Per Title 5, section 53023 (d), if adverse impact persists after taking steps required as indicated above, the selection process may proceed only if:

- (1) the job announcement does not require qualifications beyond the statewide minimum qualifications; or*
- (2) locally established qualifications beyond state minimum qualifications, if any, are demonstrated to be job-related and consistent with business necessity through a process meeting the requirements of federal law and suitable alternative selection procedures to reduce the adverse impact were unavailable; or*
- (3) the particular qualification beyond statewide minimum qualifications which are used in the job announcement are among those which the Board of Governors has found to be job-related and consistent with business necessity throughout the community college system.*

Per Title 5, section 53023(e), the district may not advertise or utilize in future hiring processes for the same position or a substantially similar position any locally established qualifications beyond state minimum qualifications that the district was unable to verify unless such qualifications are so verified in advance of commencing any such future hiring process.

Following the review and approval process, the publication of the job announcement will be completed in order to take advantage of job fairs and other similar events that enhance the district's recruitment efforts. Where and when advertising is placed will depend on several factors including resources available, lead time required for each publication, time constraints with the District, past experience within the professional area and past experience with the advertising type. The requirement of open recruitment shall apply to all full-time and part-time openings.

However, the Office of Human Resources will generally distribute the job announcement based on a Standard Recruitment Plan which provides for:

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

1. The posting of the job announcement brochure in the Office of Human Resources and on designated bulletin boards at the colleges, on the District's web site, on the District's 24-hour Job Hotline, on the District's Employment Opportunities bulletin (distributed to all employees within the District);
2. The mailing of the job announcement to community and 4-year colleges, universities, local school districts, local libraries, and city and county personnel offices; and
3. The publication of the job announcement in the Alameda News Group (ANG), Contra Costa Times, San Jose Mercury, San Francisco Chronicle, Stockton Record, Asian Pacific Careers, Hispanic Hotline, Black Careers Now, HigherEdJobs.com, Craigslist.com, Cal State East Bay listserv, and Chief Human Resource Officers (CHRO) listserv.

Additional distribution will be decided in consultation with the hiring administrator, as stated above, depending on available resources, time constraints, and in addition need, with the ultimate goal being to develop a comprehensive recruitment plan which will ensure an adequate pool of well-qualified applicants.

V. APPLICATION PROCESS

A. District Application Form

All applicants, internal or external, must submit the current District Classified Application Form as prescribed by the Office of Human Resources, to be considered for an opening. Applicants must submit a separate application form for each opening for which they apply, unless a special request for an exception has been created for a specific position.

D. Re-Opened Searches

Re-opened searches are those that have proceeded to the point of Selection Committee deliberations. Under unusual circumstances, the decision to re-open a search signifies that the committee found no one in the pool meeting the minimum qualifications, meeting established screening criteria for an interview, or meeting established criteria for recommendation for final interview. Re-opened searches require the hiring administrator's consultation with the Director of Human Resources (or designee) and shall be given careful consideration.

1. Be open ended in order to prompt full and complete responses from the candidate.
2. When appropriate include pre-determined "key response elements" that can be used by the Selection Committee to evaluate the quality of the candidate's responses. VII. CLOSE OF THE RECRUITMENT PROCESS

A. Application Review

At the close of the recruitment, the Office of Human Resources will conduct an application review of the application packets received. A letter will be issued to those applicants with incomplete packets or whose application materials were received after the Closing Date. The remaining application packets will be prepared/packaged and forwarded to the hiring administrator.

B. Minimum Qualifications Review

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

The hiring administrator will have responsibility for the minimum qualifications review. For those applications in which the MQ requirement is not clearly indicated in the application packet, it is subject to review by the Selection Committee members and a decision made for inclusion or denial. Applicants whose materials were reviewed by the Committee and found to not meet the MQ requirement, shall not have the screening criteria applied or a score recorded on the rating sheet.

VIII. SCREENING OF APPLICATION MATERIALS

A. Paper Screening Process

Using the screening criteria developed by the Selection Committee, based on the KSA's, and Duties and Responsibilities, all members of the Committee shall: (1) independently review all completed applications; (2) record their results on the rating sheet; (3) participate in the selection of those applicants who most closely meet the stated requirements and desirable skills and attributes as listed on the job announcement.

Following the screening of application materials and the selection of candidates for the First Level Interview, the hiring administrator shall immediately notify the successful candidates of the particulars (date, time, location), regarding the First Level Interview. He/she shall also complete the Applicant Pool List No. I form and submit a copy to the Office of Human Resources, along with the application materials for those applicants not being extended an invitation to be interviewed at the first level. Upon receipt of the Applicant Pool List copy, the Office of Human Resources will immediately issue a standard letter to those unsuccessful applicants. The hiring administrator shall forward the required materials to the Office of Human Resources to avoid the delay of appropriate notification to the applicant.

Internal Applicants

Care should be taken to notify internal candidates immediately by phone, or in person, by the hiring administrator.

IX. SCREENING OF CANDIDATES

A. Oral Interview

First Level Interview

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

The purpose of the First Level Interview is to evaluate the professional competence, technical proficiency, sensitivity to ethnic diversity, and where appropriate community college issues, professional activities, and other characteristics of the candidates as stated in the position announcement.

Each Selection Committee member shall document the quality of the candidates' responses and assign a score based on the value determined by the Committee for each question.

All pre-determined interview questions and skill demonstrations with key response elements, and other screening components of the selection process should be directly related to the required and desirable knowledge, skills and abilities of the job, as listed in the job announcement.

The same set of pre-determined interview questions (and skill demonstrations) shall be used to screen each candidate. The Committee may ask appropriate follow-up questions to clarify a candidate's response to a question, or may ask job-related questions about information contained in the application materials; however, Committee members should assure that all candidates are provided an equal opportunity for clarification and elaboration on matters related to their background and/or responses to questions.

All members of the Selection Committee shall be present during all of the interviews. If a Committee member is unavoidably absent and interviews cannot be rescheduled, the remaining Committee members may proceed without that member for the remainder of the process. Whenever that absence disrupts the balance of the Selection Committee membership, the Chair and Director of Human Resources (or designee) will decide on a course of action. The course of action decided upon should be documented and included in the application materials at the conclusion of the hiring process.

B. Selection of Finalists

Following the conclusion of all of the interviews, the Selection Committee member shall independently complete their scoring for each candidate. Their results will be recorded with the other members' scores. Utilizing the deliberations process, discrepancies in the ratings will be addressed. The resulting ratings will be reviewed and a "natural break" identified which will indicate the most qualified candidates and that number of candidates will be advanced to the second level interview phase. The names will go unranked to the second level Interview Committee. Of the recommended candidates whose names are sent forward, the Second Level Interview process may result in any one of the candidates being hired for the position.

C. Interview Documentation

An interview/skill demonstration rating form should be completed and signed by each member of the Selection Committee in order to document the quality of each candidate's responses. The Selection Committee Chair is responsible for reviewing all of the completed rating forms to assure that comments made by Committee members relate only to job-related criteria.

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

At the conclusion of the interviews and skill demonstrations, the Committee Chair shall compile all of the rating forms, Committee member notes and other written documentation of the process into a final and confidential Committee record that will be sealed and maintained in the Office of Human Resources for a period of three (3) years as required by law.

The hiring administrator (or designee) shall be responsible for the completion of the Applicant Pool List No. II form and the submission of a copy to the Office of Human Resources, along with the application materials for those candidates who are not being recommended to advance to the Second Level Interview stage as a Finalist. Upon receipt of a copy of the Applicant Pool List, the Office of Human Resources will immediately issue a standard letter to those unsuccessful candidates. The hiring administrator shall forward the required materials to the Office of Human Resources to avoid the delay of the appropriate notification to the unsuccessful candidates.

Internal Candidates

Care should be taken to notify internal candidates immediately by phone, or in person, by the hiring administrator.

Out-of-Area/ Out-of-State

Following the conclusion of the deliberations of the First Level Interview, the hiring administrator shall notify the candidates who have traveled to the interview from outside the area or from outside the state, of the results. Those successful candidates will advance to the Second Level Interview and keep the appointment previously scheduled for them.

Notification shall be by phone, or in person, and care should be taken to notify the candidates as soon as their status at the second level has been determined.

D. Criteria for the Recommendation of Finalists

Several factors are to be considered by the Committee in selecting candidates who will be forwarded as finalists to the Second Level Interview. In the case of candidates new to the professional area, the Committee shall consider the candidate's potential to develop professional competence/knowledge and skills. The selection should be based on a combination of the information contained in the candidates' application materials, the interview performance, and results of the skill demonstration or other pre-determined, job-related Committee assessment tool. Such factors as the following shall be considered:

1. Demonstrated professional competence
2. Scope and quality of professionalism
3. Experience and skills related to the position

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

4. Demonstrated skill and preparation to work in a multicultural, multilingual educational environment, and sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students.

The Selection Committee should be encouraged to engage in a full, frank, and complete discussion about each candidate interested in a supervisory/confidential position. This discussion should include an analysis of the candidate's paper application and qualifications, the candidate's interview, and results of any skill demonstration or other pre-determined, job-related Committee assessment tool.

The Selection Committee will select candidates as finalists who most closely meet the selection criteria, who are well qualified in the opinion of the Committee and most likely would be successful if selected for the position. The names of the finalists shall be forwarded unranked to the second level Selection Committee. If only one candidate is deemed acceptable as a finalist, the Committee will submit its reasons in writing and forward them to the District Chancellor (or designee) or College President (or designee), who will review the screening process with the Selection Committee Chair. Finalists shall be forwarded to the District Chancellor (or designee) or College President (or designee) in his/her role as Chair of the second level interview process.

The following items shall also be forwarded to the District Chancellor (or designee) or College President (or designee) along with the finalists' names, unranked:

1. Originals of each finalist's application materials
2. A list of the interview questions and key response elements used to interview candidates
3. Information about any job-related issues that can more effectively be discussed during the final interview

The District Chancellor (or designee) or College President (or designee) may also request the Committee interview and skill demonstration rating forms or other documentation from the First Level Interview Selection Committee process.

E. Final Interviews and Reference Checks

The hiring administrator shall make the arrangements to schedule the Second Level Interviews on the District Chancellor's (or designee's) or College President's (or designee's) calendar. Interviews should be scheduled within a reasonable time frame after the finalists have been selected by the First Level Interview Selection Committee.

Second Level Interview

Chabot-Las Positas Community College District Supervisory/Confidential Selection Procedures

The Second Level Interview committee shall consist of the District Chancellor (or designee) or College President (or designee) serving as the Chair (or designee), the vice chancellor or appropriate vice president (instruction or student services), the hiring administrator, and the Chair (if not already represented). The need for additional members on the Second Level Interview committee shall be determined by the District Chancellor or College President, with consideration given to appropriate representation. Names of committee members shall be documented and included in the selection hiring materials returned to the Office of Human Resources.

Members participating on the Second Level Interview Committee are required to attend all final interviews.

Reference checks on all finalists will be conducted by the District Chancellor (or designee) or College President (or designee). The responsibility shall not be delegated. Faculty and staff are not authorized to conduct the reference checks.

The District Chancellor (or designee) or College President (or designee) will discuss the final recommendation with the Chair of the First Level Interview Selection Committee prior to submission to the Office of Human Resources and Board of Trustees.

If the District Chancellor (or designee) or College President (or designee) does not select a finalist, the District Chancellor (or designee) or College President (or designee) shall meet with the Selection Committee to explain the non-selection. The Committee may elect to review the pool of candidates and recommend additional finalists, or the District Chancellor (or designee) or College President (or designee) may re-open the hiring process.

X. APPROVAL PROCESS

Following selection of the final candidate, the District Chancellor (or designee) or College President (or designee) shall submit formal notification of the selection to the Office of Human Resources for placement on the Management Personnel Report for the Board Agenda. The hire of the candidate is not final until action is taken by the Board of Trustees at an announced Board Meeting.

The District Chancellor or the College President shall contact the unsuccessful candidates.

The Office of Human Resources will contact the selected individual in a timely fashion regarding employment information, required verifications, contracts, fringe benefits, and other employee services.
