Summer Assignment: Form for Load Credit

Article 10D.c. states:

If there will be no adverse effects on students or programs during the regular academic year and if mutually agreed upon by the unit member and appropriate Vice President, up to two Summer assignments can be counted toward the Academic Year load requirement.

If Summer assignments count toward Academic Year load requirement, then the unit member shall be credited this entire load amount resulting in a reduced load during the Academic Year immediately subsequent to the agreed-upon Summer assignment(s) at the unit member's discretion. Notwithstanding, the unit member will fulfill all of his or her professional obligations during the academic year, commensurate with a full load. This provision applies to Regular unit members only.

I elect to apply up to two (2) summer courses toward load.
