Room 1602 **Student Success and Support Program (SSSP) Initiative -
Matt Kritscher and Diana Rodriguez**

The SSSP is a process that enhances student access to the California Community Colleges and promotes and sustains the efforts of students to be successful in their educational endeavors. The goals of SSSP are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives through the assistance of student support services in collaboration with faculty. In this session, Student Services professionals will discuss implementation needs for the 2014-2015 academic year. We invite all faculty and classified professionals to join in on a discussion on how we can work together to improve student retention and persistence.

Room 2490 **Planning and Budget Committee (PBC) - Lorenzo Legaspi**

Under the new Integrated Planning and Budget Model (IPBM) the PBC will meet to continue its work on the Budget Allocation Model (BAM). The Committee will establish goals and objectives including; addressing the BAM Implementation Questions.

Room 2206 **Coaches Training - Commissioner Dale Murray and Dyan Miller**

Commissioner Murray will be facilitating the training session and will be reviewing the new California Community College Athletic Association (CCCAA) Bylaws which went into effect on July 1, 2014.

Room 2480 **Classified Professional Program - “Getting 2 Know U” - Jeannine Methe**

All classified professionals are invited to participate in an interactive Classified Professional Training Survey that we will conduct using “clickers” to get real time results of what the group feels are the most critical training needs for their professional development. This information will be used in the future to prioritize and schedule training sessions for the classified professional staff. We will also have some team activities with prizes to get everyone better acquainted with their classified colleagues.

P.E. Complex **Legislative Update - Theresa Tena**

This presentation by the Community College League of California (CCLC) will touch on the current and future outlook for community colleges. It will also provide an overview of the recently passed state budget. Finally, the legislative process moves rapidly come learn about key policy areas from the 2014 Legislative session.
