B. Access and Use of District Property

2311 Computer Use *

The computing facilities of the Chabot-Las Positas Community College District are provided for the use of students, faculty, and staff in support of the programs of the Colleges and District. The computer systems of the District are provided solely for the following purposes:

1. use by authorized employees and agents of the Chabot-Las Positas Community College District for District business;
2. use by authorized employees of the Chabot-Las Positas Community College District for professional activities related to the employee's job function;
3. use by registered students or authorized employees of the Chabot-Las Positas Community College District for instructional activities; or
4. public access to approved District or College information resources via the public telephone and data networks.

The District acquires a substantial portion of its computer software from vendors under license agreements which restrict the use of the software to specific computer systems and which require the District to limit the use and copying of the software. It is District policy to comply with the terms of these licenses and with copyright law. Use of District computer resources in violation of copyright restrictions or software license terms is prohibited.

The District's computer systems, including hardware, software, and all computerized information and data are owned by the District or are licensed from vendors under license agreements. Except as provided in Board Policy pertaining to intellectual property rights, employees and students have no rights of ownership to these systems or to the information they contain, even if the employee or student entered the information into these systems. Employees may use this information only as directed in the legitimate business of the Colleges and District and only as prescribed by Board Policy 5511.

In order to facilitate proper and responsible use of computers, the Chancellor shall establish rules and regulations for all users of District computing facilities. All users must comply with these rules and regulations; violations may result in
