#### **2316 Smoking Policy**

The Chabot-Las Positas Community College District is committed to maintaining a healthy environment for students and employees in accordance with AB 846, the “smoke-free zone” extension.

It is the intent of the District to make a good faith effort to implement this policy by designating “smoking areas” on the campuses. In addition, smoking is disallowed within 20 feet of any District building. Procedures to implement this policy are to be included in the Administrative Rules and Procedures.
