

Students and Student Services

Administrative Rules and Procedures

5121 Fees

1. **Enrollment Fee**

California residents, except those exempt by law, must pay a \$26.00 per unit enrollment fee for classes at the colleges.

2. **Materials Fee**

Each college will develop its own procedure for charging materials fees. These fees will reflect actual costs of consumable materials in certain designated classes.

3. **Parking Fee**

Students are required to register the vehicle they wish to park on campus. Vehicles are registered at the beginning of each semester. New parking permits/decals of a different color will be issued each semester. One parking permit/decal is issued for each registered vehicle upon payment of the parking fee. Daily parking tickets are available at the ticket dispenser machines located on all student lots, and the permit shall be displayed on the dashboard on the driver's side.

Parking fees for disabled students with current DMV placard may be waived by the College Vice President of Student Services based on financial need.

Enforcement of parking rules and regulations shall begin the third week of instruction of each semester and tickets will be issued for violators.

4. **Health Fee**

Each college will develop its own procedure for charging health fees. These fees will reflect the actual cost of health services & related expenses.
