### C. Academic Standards

#### 5240 Requirements for the Degree of Associate in Science

A student is eligible for graduation with the Associate in Science Degree after satisfactorily completing no fewer than 60 semester units of work with a 2.0 average or better, and has met the specific requirements outlined below:

Section A (General Education)	Units
American Institutions or Health	3
Physical Education	1 <sup>1</sup>
Social and Behavioral Sciences	3 <sup>2</sup>
Natural Sciences	3
English Composition (Language and Rationality)	3
Communication and Analytical Thinking	3
Mathematics	3
Humanities	3
American Cultures	4
Section B (Major Field or Program)	18 minimum <sup>5</sup>
Section C (Electives)	6
Total Units Required	60

To be eligible to receive the Associate of Science Degree from Chabot-Las Positas Community College District, a student must have taken at least 12 units at Chabot or Las Positas College and meet the specific requirements outlined above.

---

<sup>1</sup> Students exempted from physical education are also exempted from this portion of the graduation requirements. The total graduation unit requirement is unchanged.

<sup>2</sup> A course in Ethnic Studies may be credited, as appropriate, towards the completion of the requirement in Social and Behavioral Sciences.

<sup>3</sup> The requirement of minimum proficiency in Mathematics may be met by passing one of the courses identified as meeting the Mathematics requirement with a grade of "C" or higher or "CR".

<sup>4</sup> Complete one course identified as meeting the American Cultures requirement with a grade of "C" or higher or "CR". Where it is appropriate, the course can simultaneously satisfy other graduation or disciplinary requirements.

<sup>5</sup> At least 18 semester units of study in a single discipline or related disciplines.

<sup>6</sup> Units may vary depending on individual student programs.
