

## **Students and Student Services**

### **C. Academic Standards**

#### **5241 Graduation and Diplomas**

Upon application and completion of all degree requirements, the Associate in Arts (AA) or Associate in Sciences (AS) Degree will be posted and dated on the student's permanent record card. The student will be advised by letter of the completion of degree requirements.

Upon completion of all degree requirements, a diploma will be ordered to be dated the month in which the degree is completed. Students will receive their diplomas after the close of the semester in which the diploma is earned.

Students may participate in the first graduation ceremonies which immediately follows the completion of the degree requirements, except students who will complete the degree requirements at the close of the summer session. They may participate in the preceding May commencement with prior approval from the Vice President of Student Services.
