

## **Instruction and Educational Program**

### **A. Educational Program**

#### **6130 Articulation of Instructional Programs and Support Services**

##### **District Policy**

It shall be the policy of the Chabot-Las Positas Community College District to seek to establish partnerships and basic skills standards with each district and/or school system having high schools or regional occupation centers located within the College District area, as well as with the local four-year colleges to which Chabot and Las Positas College students transfer. The purpose of such partnerships is to articulate instructional programs, high academic standards and support services for students pursuing specific educational/career objectives.

##### **Responsibility for the Articulation of Programs and Services**

The Office of Academic Services and the Office of Student Services shall share responsibility for the articulation of instructional programs and support services. Leadership for the development, implementation and coordination of the articulation programs and services will be the responsibility of the Vice President of Academic Services and Vice President of Student Services at each college.
