C. Board Compensation and Benefits

7030 Monthly Meeting Compensation

Pursuant to the provisions of the Education Code Section 72024 it shall be the policy of the Board that its elected members who attend all meetings of the Board may receive as compensation for their services a sum not to exceed four hundred dollars (\$400.00) per month.

The compensation for the Non-Voting Elected Student Trustee will be determined annually prior to May 15 as provided in the Administrative Rules and Procedures for Board Policy 7003. Participation in or withdrawal from the compensation program requires filing a written notice of intent with the Chancellor.

A Board member or Student Trustee participating in the compensation program may be paid for any meeting when absent if the Board by resolution finds that at the time of the meeting the Board member or Student Trustee is performing services outside the meeting for the District. Such finding shall be entered upon the minutes of the Board.

A Board member or Student Trustee may be paid for any meeting when he or she is absent if the Board by resolution duly adopted and included in its minutes finds that, at the time of the meeting from which the Board member or Student Trustee is absent, he or she was performing services outside the meeting for the community college district, he or she was ill or on jury duty, or the absence was due to a hardship acceptable by the Board.

Any member of the Board or Student Trustee who does not attend all meetings held by the Board in any month may receive as compensation an amount not greater than the pro-rata share of the maximum compensation based on the number of meetings attended in relation to the number of meetings held.
