AP 4232 PASS/NO PASS

Reference:

Title 5 Section 55022

Courses may be offered in either or both of the following categories:

- Courses in which all students are evaluated on a "pass-no pass" basis.
- Courses in which each student may elect on registration, or within 30% of the duration of the course, to take the course on a "pass-no pass" basis.

A student electing to be evaluated on the "pass-no pass" basis will receive both course credit and unit credit upon satisfactory completion of the course. In computing a student's grade-point average, grades of "pass-no pass" are omitted.

A pass grade is granted for performance that is equivalent to the letter grade of "C" or better. A student who fails to perform satisfactorily will be assigned a "no pass" grade.

The student is held responsible for all assignments and examinations required in the course. The standards of evaluation are identical for all students in the course.

Chabot and Las Positas Colleges offer:

1. some courses solely for pass/no pass (P or NP) grade
2. some courses solely for a standard letter grade
3. some courses in which the student may choose to complete the course for either a pass/no pass grade OR for a standard letter grade

The student shall inform the Admissions and Records Office, by petition, of his/her intention to complete a course for a pass/no pass grade and the instructor shall report to the Admissions and Records Office a final grade of "P" (pass) or "NP" (no pass) for students who so petition.
