Summary of Key Enrollment Limit Topics

The table below provides an overview of the Title 5 regulations on repetition and withdrawals and corresponding enrollment and apportionment limitations. The purpose of this section is to provide an at-a-glance summary of the key regulatory topics on enrollment limits addressed in this document. (From the California Community Colleges Guidelines for Title 5 Regulations on Repeats and Withdrawals adopted by the Board of Governors on July 11, 2011 and effective October 12, 2011)

Regulatory Provision	Enrollment Limit for Student	Enrollment Limit for Apportionment (58161)	Summary
1. Apportionment Limit on Enrollment in Non-repeatable Courses (55024)(a)(9), (55040), (58161)	3 enrollments +1 (petition required if district policy allows it)	3 enrollments + 1 (petition required if district policy allows it)	A student may enroll in the same credit course a maximum of 3 times. Districts may permit one additional funded enrollment on an appeal basis if a student needs to repeat due to significant lapse of time or due to extenuating circumstances relating to verified cases of accidents, illness, or other circumstance beyond the student's control. Districts can allow additional enrollments on an appeal basis without claiming apportionment. [55024(a)(9), 58161(e)]
2. General Rule on Repetition where Satisfactory Grade Received	1 enrollment	1 enrollment	Student receiving a satisfactory grade may not repeat a course (unless another rule allows it). [55042(b)]
3. Substandard Grade (55042)	Initial enrollment, plus 2 repeat enrollments	3 enrollments+1	A student receiving a substandard grade has two opportunities to repeat a course to alleviate the substandard grade. Districts may permit an additional enrollment on a petition basis for extenuating circumstances (<i>if a student received an evaluative symbol</i>) and claim apportionment for that enrollment. The first two substandard grades may be excluded in computing the student's GPA. (55042)
4. Significant Lapse of	1 enrollment	1 enrollment	District may permit a student who

Time (55043)			previously received a satisfactory grade to repeat a course due to significant lapse of time. Significant lapse of time is defined by district policy. [55043(a)(1)] <i>Until new regulations are adopted to establish a timeframe for significant lapse of time, the Chancellor's Office recommends that districts define it as a period of no less than 36 months since the last satisfactory grade was obtained.</i> Prior grade and credit may be disregarded per district policy. [55043 (c)]
5. Extenuating Circumstances (55045)	1 enrollment	1 enrollment	District may permit a student to petition to repeat a course due to an extenuating circumstance. Extenuating circumstances are verified cases of accidents, illness, or other circumstance beyond the student's control. District policy may allow a previous grade and credit to be disregarded in computing the student's GPA. [55045 (b)]

(58146)
8. Legally Mandated Training (55041(b))	No limit if condition of 55041(b) met	No limit if condition of 55041(b) met	May be repeated for credit any number of times, "if necessary to meet legally mandated training requirements as a condition of paid or volunteered employment." [55041(b)]
9. Military Withdrawal (MW) (55024(d)(1))	No limit	No limit	A student who is on active or reserve duty in the U.S. military service who receives orders compelling withdrawal, may do so. Upon verification of orders, the MW may be assigned even if the time period established by the district for withdrawal has passed. [55024(d)(1)]

For purposes of this section a unit is earned when a student receives a grade of A, B, C, D or P as defined in BP and AP 4230 titled Grading and Academic Record Symbols. This 100-unit limit does not include units for non-degree applicable English as a Second Language or basic skills courses as defined by the Chief Student Services Officer. Students enrolled in high unit majors or programs as designated by the Chief Student Services Officer.

The District shall notify students who are placed on academic or progress probation, of the potential for loss of enrollment priority. The District shall notify the student that a second consecutive term on academic or progress probation will result in the loss of priority registration as long as the student remains on probation. The District shall notify students or who have earned 75 percent or more of the unit limit, that enrollment priority will be lost when the student reaches the unit limit.

Appeal of Loss of Enrollment Priority

Students may appeal the loss of enrollment priority when the loss is due to extenuating circumstances. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student, or when a student with a disability applied for, but did not receive a reasonable accommodation in a timely manner. The Chief Student Services Officer or his/her designee will determine the appeal in his/her sole discretion.

The District will ensure that these procedures are reflected in course catalogs and that all students have appropriate and timely notice of the requirements of this procedure.

Additional local enrollment priorities have been established across the District and are reflected in the schedule of classes.
