Title 5 Section 54220

The District has a Student Equity Plan. The Plan is filed as required to the California Community Colleges Chancellor's Office, following approval by the Board.

The Student Equity Plan shall be developed, maintained, and updated under the supervision of the Chief Student Services Officer at each college.

**NOTE:** The California Community Colleges Chancellor's Office is working on streamlining the reporting requirements for student equity plans along with other programs. One change has been to submit information related to student equity plans to the California Community Colleges Chancellor's Office as part of an "Integrated Plan." However, because Title 5 Regulations addressing student equity plans have not been repealed, districts are still required to maintain student equity plans.
