How To *View or Update* your W-4 Exemptions & Allowances in CLASS-Web

This How-To document will show you how to update your W-4 Exemptions & Allowances in CLASS-Web.

The W-4 Form

The purpose of the W-4 Form is to provide CLPCCD with employee personal and financial information to determine your correct federal income tax withholding from pay. You select your own Federal tax exemptions, allowances and additional withholding (if any), and report it on the electronic W-4.

You can change your W-4 exemptions and allowances any time by simply completing and submitting another electronic W-4 form in CLASS-Web.

Note: No more paper W-4 forms will be accepted! If you want to update your W-4 exemptions & allowances you must do so using the electronic form in CLASS-Web!

Caution! *The W-4 form only updates Federal taxes.* You must also download and fill out the California State Employee's Withholding Allowance Certificate DE 4 from the Tax Forms menu in CLASS-Web. Please send the completed form to the CLPCCD Payroll office.
