

## Medical Emergencies

- Do not move a seriously injured person unless there is a life threatening situation.
- **Call local emergency services or 911 (8-911 from a District Office telephone).**
- Give your name, location, and telephone number. Give as much information as possible regarding the nature of the injury or illness, whether or not the victim is conscious, etc. Do not hang up until directed to do so by the emergency operator.
- Return to the victim, administer first aid, and keep the victim as calm and comfortable as possible.
- Remain with the victim until emergency personnel arrive.
