

Calendar View:

The screenshot displays the Microsoft Outlook interface in the 'Calendar' view. The window title is 'Calendar - Amanda Pisani - Microsoft Outlook'. The ribbon includes 'File', 'Home', 'Send / Receive', 'Folder', 'View', 'Add-Ins', and 'Adobe PDF'. The 'View' tab is active, showing options for 'Day', 'Work Week', 'Week', 'Month' (selected), and 'Schedule View'. The 'Month' view shows a calendar for December 2014. The left sidebar shows 'My Calendars' with 'Calendar' selected, and other sections for 'Mail', 'Contacts', and 'Tasks'. The main calendar area shows a grid for December 2014, with the 8th of December highlighted in yellow. The status bar at the bottom indicates 'Items: 0' and a zoom level of '100%'.
