The screenshot shows the Outlook Web App interface. The browser address bar displays <https://mail.dpsccd.org/owa/#path=/people>. The navigation bar includes 'Mail', 'Calendar', 'People', and 'Tasks'. The left sidebar shows a navigation menu with 'Directory' selected and 'All Users' highlighted with a red star and a red arrow pointing to it. The main content area displays a list of directory entries under the heading 'DIRECTOR BY DISPLAY NAME'. The top entry is '3CBG', which is selected. The right pane shows details for the selected entry, including a group icon, the name '3CBG', and the email address '3CBG@clpsccd.org'. Below this, there is a 'members' section with a list of users, each with a profile picture and their name and email address.
