

How to Change your password in OWA.

Once you change your password in OWA it also affects your Active Directory account (PC Login), iPhone, and iPad.

1. Login into OWA <https://mail.clpccd.org/owa>
2. Login in with your Domain\user name:  
District (clpccd\user name)  
Chabot College (chabotcollege\user name)  
Las Positas (lpc\user name)  
and your password.

3. Select the gear icon in the upper right of the screen and select change password.

4. Enter your Current password and your new password twice. Then click Save. After saving, you might need to re-enter your user name and password and sign in again for OWA.
