

How to Setup Your Iphone or Ipad for Outlook Exchange email:

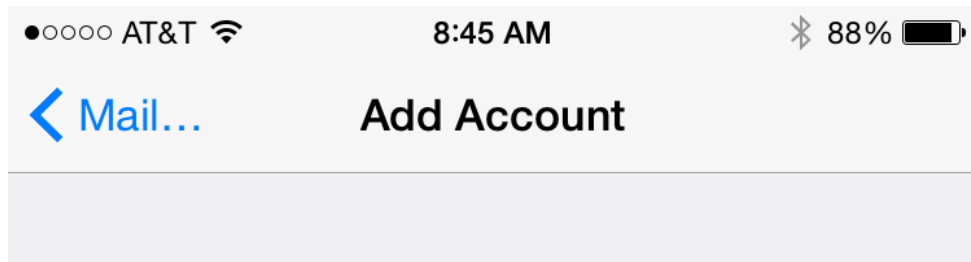

1. Go to Settings → Mail, Contacts, Calendars

2. Click Add Account

3. Click on Exchange

 iCloud

 Exchange

4. Enter Your full email address and password (this is your active directory password)

The Description can be whatever you want it to be .

5. Click Next

Email jchabot @clpccd.org

Password ●●●●●●●●●●

Description jchabot @clpccd.org

6. Enter Server: mail.clpccd.org

Domain: is what email address you are using.

@chabotcollege.edu Domain is: Chabotcollege

@laspositascollege.edu Domain is: LPC

@clpccd.org Domain is: CLPCCD

The example below is for a district email address. So the domain would be CLPCCD.

Username: first part of your email address (example: jchabot)

Password: (this is your active directory password)

Then Click Next
