

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

June 24, 2008

Agenda Item: 4.1

Subject: Approval of Additional 2008-2009 Curriculum Changes, Chabot College

Background: Chabot College submitted the bulk of their 2008-09 Curriculum Changes to the Board in March, 2008. Since that time, the Curriculum Committee has approved the following:

- A new course, Certificate of Achievement, and Associate in Arts Degree in Early Childhood Intervention. While implementation is not scheduled until Fall 2009, the discipline requests Board of Trustees approval at this time so that the Certificate and Degree may be submitted to the State System Office in a timely manner.
- Two new Certificates of Achievement in University Transfer, one for CSU/General Education Breadth, and one for IGETC—Intersegmental General Education Transfer Curriculum. Approval of these certificates would allow the College to award Certificates of Achievement to students who are eligible to apply for CSU/GE or IGETC certification, a separate approval process which does not appear on the student's transcript, and would allow us to include them in our DegreeWorks (degree audit) process.

Recommended Action: That the Board of Trustees approve additional 2008-2009 Curriculum Changes proposed by Chabot College.
