Agenda Item: 5.5.c.

Subject: Approval of Award of a Piggyback Contract for Audio Visual Equipment for Buildings 800 and 900, Chabot College, Using the Premier Educational Purchasing Program for Microcomputers Technology Bidding and Purchasing Program (PEPPM)

Background: District Staff is preparing for the purchase, delivery and installation of audio visual equipment for Buildings 800 and 900 at Chabot College. The method selected to make the purchase of all of the various items is utilizing a piggyback contract. Public Contract Code section 20652 authorizes the District to utilize this method.

The PEPPM Technology Bidding and Purchasing Program is a nationwide group purchasing program with Kern County Superintendent of Schools as the lead California Agency. The previously conducted bidding and contract award of the PEPPM Program is now utilized without further competitive bidding.

The audio visual vendor, Troxell Communications, has provided a quote using the pricing under the PEPPM 2008 contract and is the recommended vendor for this purchase.

Recommended Action: That the Board of Trustees award a contract for audio visual equipment for buildings 800 and 900 at Chabot College to Troxell Communications, Incorporated of Phoenix Arizona in the amount including taxes not to exceed \$263,500. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments to this agreement on behalf of the District.
