

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

March 17, 2009

Agenda Item: 4.5

Subject: Approval of Student Health Fee Increase, Chabot and Las Positas Colleges

Background: The State of California authorized Community Colleges to charge \$14 per student for the health fee to meet the higher demand for student health services.

The current student health fee at the Colleges is \$13.

Both Colleges' student governments, ASCC and ASLPC, approved the proposed increase in Spring 2008.

Recommended Action: That the Board of Trustees approve the proposed \$1 student health fee increase to a total of \$14 effective Spring 2009 for Chabot and Las Positas Colleges. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute this fee on behalf of the District.

Approved: Joel Kinnamon/Date
