April 21, 2009

Agenda Item: 4.2

Subject: Approval of Grant Agreement—California Community College Chancellor’s Office for Career Technical Community Collaborative Projects, Grant Agreement No. 08-140-480, Chabot College

Background: Chabot College has been notified by the California Community College Chancellor’s Office (CCCCO) of an award for a Career Technical Education (CTE) Community Collaborative Projects Grant which is part of the Governor’s Career Technical Education Initiative. The grant funding will allow the College to continue the work that began with initial SB70 funding awarded in June 2008.

The new funding will allow the College to extend their activities another 18 months and continue the work of building a strong Career and Technical Education (CTE) Community Collaborative Partnership which includes, Las Positas College, local K-12 schools, Regional Occupation Programs, Adult Schools, and Business and Industry Centers for Economic Development within the District’s service area.

Project activities include career exploration development for 7<sup>th</sup> & 8<sup>th</sup> graders, establishing and/or strengthening existing programs in any of the 15 industry sectors identified by the California Department of Education by developing model programs, articulating course work, aligning curriculum, developing advisory committees to link education with business, industry and labor, offering Teacher/Faculty Internships with Business and Industry, and offering CTE professional development opportunities.

The award is in the amount of \$400,00 for the period February 1, 2009 through August 31, 2010 under Grant Agreement No. 08-140-480.

Due to the late passage of the 2009 State Budget, the College did not receive their official grant notification award until the end of March 2009.

Recommended Action: That the Board of Trustees approve the proposed grant agreement from the California Community College Chancellor’s Office for Career Technical Community Collaborative Projects, Grant Agreement No. 08-140-480, Chabot College, in the amount of \$400,000, for the period February 1, 2009 through August 31, 2010.
