

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

April 21, 2009

Agenda Item: 4.3

Subject: Approval of Grant Agreement—California Community College Chancellor’s Office for Career Technical Community Collaborative Projects, Supplemental Grant Agreement No. 08-141-480, Chabot College

Background: Chabot College has been notified by the California Community College Chancellor’s Office (CCCCO) of a supplemental award for a Career Technical Education (CTE) Community Collaborative Projects Grant which is part of the Governor’s Career Technical Education Initiative. The grant funding will allow the College to continue the work that began with initial SB70 funding awarded in June 2008.

This supplemental funding will support the College’s ability to fully engage in grant activities and build a strong Career and Technical Education (CTE) Collaborative within the District’s service areas. Activities include strengthening CTE programs within the region, increasing middle school outreach and development activities, expand teacher and faculty externships with Business and Industry, and offer additional CTE professional development opportunities.

Initial grant funding in the amount of \$400,000 was awarded under Grant Agreement No. 08-140-480 for Career Technical Education Community Collaborative Projects and subject to the District’s Board of Trustees approval.

This supplemental grant award is in the amount of \$100,00 for the period February 1, 2009 through August 31, 2010 under Grant Agreement No. 08-141-480.

Due to the late passage of the 2009 State Budget, the College did not receive their official grant notification award until the end of March 2009.

Recommended Action: That the Board of Trustees approve the proposed grant agreement from the California Community College Chancellor’s Office for Career Technical Community Collaborative Projects, Supplemental Grant Agreement No. 08 141-480, Chabot College, in the amount of \$100,000, for the period February 1, 2009 through August 31, 2010. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments on behalf of the District.
