

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

April 21, 2009

Agenda Item: 5.5

Subject: Approval of Surplus Property to be Donated to Two Universities

Background: Las Positas College's Vacuum Technology Program is soon to become inactive. The District will dispose of the various personal property of that program, now surplus to the instructional or administrative needs of the District. In this case, opportunities with two public entities, the University of Nevada at Las Vegas and State University of San Francisco will allow this surplus equipment to be utilized in the educational programs of these schools.

The equipment was originally donated to Las Positas College by arrangements of the Vacuum Tech Advisory Board. This group, still participating in the operations of the program, facilitated interest from the two schools.

Authority for this action is contained in the State Education Code and allows a community college district to donate to University of Nevada at Las Vegas and State University of San Francisco.

Recommended Action: That the Board of Trustees approve the items surplus to the needs of the District and that the Chancellor be authorized to dispose of the same via donation to the University of Nevada at Las Vegas and State University of San Francisco in accordance with Education Code Section 81450.5.
