

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

June 23, 2009

Agenda Item: 4.7

Subject: Approval of Memorandum of Understanding—Peralta Community College District for the Bay Area Regional Tech Prep Collaborative Partnership, Chabot College

Background: Chabot College is linked to the Bay Area Regional Tech Prep Collaborative Partnership (BARTPC) through the Bay Area Career Pathway Alliance (BACPA) which establishes a regional partnership among 16 regional community college districts for the purpose of developing an effective and comprehensive ongoing regional collaboration between educational, business, and workforce development partners to address emerging workforce development needs, locally and regionally, and provides career training and opportunities for residents in the local targeted areas.

The State's Department of Education authorizes the BACPA partnership and recognizes Peralta Community College District (CCD) as the lead partner and fiscal agent. A memorandum of understanding (MOU) with each participating partner is required by Peralta Community College District.

As a BARTPC partner, funding is being provided to Chabot College for outreach activities to middle schools within the College's service area which includes the Hayward, Castro Valley, San Leandro, and San Lorenzo School Districts for the purpose of building and strengthening career exploration and development through a High Leverage Activity grant. The College has been allocated \$24,500 for the 2008-09 fiscal year. The MOU is for the period April 21, 2009 through June 30, 2009.

Due to Statewide budgetary constraints, the MOU could not be completed by the issuing partner until May 11, 2009 with the College receiving documents the last week of May.

Recommended Action: That the Board of Trustees approve the proposed Memorandum of Understanding with Peralta Community College District for the Bay Area Regional Tech Prep Collaborative Partnership, Chabot College, for the period April 21, 2009 through June 30, 2009. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the Memorandum of Understanding and any future augmentations or amendments to the document on behalf of the District.
