Agenda Item: 4.1

Subject: Approval of Grant Agreement Renewal—Tri-Valley Community Foundation for the College Foundation Semester Program, Las Positas College

Background: Las Positas College received notification from the Tri-Valley Community Foundation (TVCF) of its commitment to continue support of the College Foundation Semester (CFS) Program as one of the organizations that provide funding to this vital program.

The funding will be used to identify, assess and enroll twenty (20) at-risk youths between the ages of 16 and 21 years of age. A specific and step-by-step plan for each at-risk youth will be developed and implemented to increase the likelihood for attaining career objectives. The program includes tutoring, study skill training and instruction, internships, work experience, occupation skills training, apprenticeships and leadership development opportunities.

The grant award is in the amount of \$52,000 for the period of July 1, 2009 through June 30, 2010.

In Fall 2006, the program's original name, Bring Academics to Youth Career Project (BAY Career Project) was changed to the CFS Program to more clearly reflect and clarify the project's purpose and population served.

The Board of Trustees approved the initial grant funding for the pilot program on November 14, 2006, item 4.3 under the BAY Career Project with The Community College Foundation in the amount of \$107,506. In addition, on March 18, 2008 under item 4.4 the Board approved acceptance of an additional \$30,000 from the TVCF. The Board approved a grant renewal with TVCF on July 15, 2008, item 4.3 for \$50,000.
