

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

September 15, 2009

Agenda Item: 6.3

Subject: Approval to Issue On-Call Professional Services Agreement with Consolidated Engineering Labs for Testing and Inspection Services at Chabot College

Background: On December 7, 2004, the Board of Trustees approved the issuance of a Request for Qualifications (RFQ B-05) Solicitation for “On-Call” Consulting Services in support of the Measure B Bond Program. This RFQ was developed to address numerous, smaller tasks that would be needed in various planning, design, engineering and other consulting services. On June 24, 2008, the Board of Trustees approved a term renewal for Testing and Inspection services for specific construction project tasks at Chabot College.

Consolidated Engineering Labs has submitted a proposal for upcoming projects requiring Construction materials to be monitored, tested and inspected. The upcoming Central Utility Plant Mechanical Conversion requires this service to be performed as specified in the contract documents. The estimated fee for these specialized services is \$125,000.

Recommended Action: That the Board of Trustees approve issuance of an On-Call Professional Services Agreement with Consolidated Engineering Labs of Pleasanton, CA for Testing and Inspection Services at Chabot College in an amount not to exceed \$125,000. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments to the agreement on behalf of the District.

Funding Source: Measure B Bond Funds

Submitted: Jeffrey M. Kingston/Date

Approved: Joel L. Kinnamon/Date
