## CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

## November 17, 2009

Agenda Item: 4.2

Subject: Approval of Agreement Renewal—2009-2010 Child Development Training

Consortium Instructional Agreement No. 09-10-4024 with Yosemite Community

College District, Chabot College

<u>Background:</u> Chabot College has received a program renewal for the Child Development Training Consortium (CDTC) 2009-2010, with the Yosemite Community College District.

The program allows the College to generate up to 700 units of college credit by enrolling students in courses required by the California Commission on Teacher Credentialing. Through these campuses, the students obtain a new or renew a currently held Child Development Permit. As these courses do not generate state apportionment, the agreement provides the College with \$25 per enrolled unit of coursework, not to exceed a total of \$17,500.00.

The College has been continuously involved with the CDTC and has received an annual renewal since 1993. The agreement renewal will be for the period September 1, 2009 through June 30, 2010.

Past Board of Trustees actions include approval of agreement renewals on October 21, 2008 under item 4.2, for \$17,500, October 16, 2007 under item 4.1 for \$17,500, January 16, 2007 under item 4.2 for \$17, 800, October 18, 2005 under item 4.1 for \$21,900, November 16, 2004 under item 4.3 for 21,612 and on October 21, 2003 under item 4.8 for \$20,000.

Recommended Action: That the Board of Trustees approve the agreement renewal of the 2009-2010 Child Development Training Consortium Instructional Agreement No. 09-10-4024 with Yosemite Community College District, Chabot College, in an amount not to exceed \$17,500, for the period of September 1, 2009 through June 30, 2010. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute this agreement and any future augmentations or amendments to the document on behalf of the District.
