

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

January 19, 2010

Agenda Item: 5.10

Subject: Acceptance of Grant Award—U.S. Department of Education's Fund for the Improvement of Postsecondary Education (FIPSE) Program for Transfer, Employment and Career (TEC) Transition Center Project, Award No. P116W090134, Chabot College

Background: Chabot College has been notified by the U.S. Department of Education of its intent to award funding for the Transfer, Employment and Career (TEC) Transitions Center Project, Award No. P116W090134. Funding for the project is made possible through the Fund for the Improvement of Postsecondary Education (FIPSE) Program.

The grant will provide seed funding for the TEC Transitions Center, a One Stop Center extension serving dislocated workers and working adults who are pursuing certificates, degrees or transfer programs. The project brings together the strengths of Chabot College and the Alameda County Workforce Investment Board (ACWIB) to address the large influx of dislocated workers that has resulted from a prolonged economic recession. The partnership helps alleviate service demands placed on local one-stop centers while providing coordinated and employer-connected training programs for dislocated workers and working adults. As a member of the ACWIB Rapid Response Team, Chabot counselors and staff will work with employers and businesses that have issued notices of impending layoffs to provide workers with employment services and training. Chabot and the ACWIB/Eden Area One-Stop will share student/client data to identify dislocated workers, track services used, and measure progress towards meeting a combination of education and employment outcomes.

Funding for the three year grant will be:

Funding Year	Performance Period	Amount
Year One and Two	1/1/2010-12/31/ 2012	\$400,000
Year Three	1/1/2012-12/31/2012	138,585
Total		\$538,585

Recommended Action: That the Board of Trustees accept the proposed U.S. Department of Education's Fund for the Improvement of Postsecondary Education (FIPSE) Program for Transfer, Employment and Career (TEC) Transition Center Project, Award No. P116W090134, Chabot College in the amount of \$400,000 for the period January 1, 2010 through December 31, 2012 and \$138,585 for the period January 1, 2012 through December 31, 2012 for a total amount of \$539,585. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments on behalf of the District.
