

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

March 16, 2010

Agenda Item: 4.7

Subject: Approval of Master Sub-Recipient Sub-Award Agreement—City College of San Francisco for Electric Vehicle Training, Chabot College

Background: Chabot College and City College of San Francisco were named as recipients of a “Recovery Act Award” for the Electric Drive Vehicle Battery and Component Manufacturing Initiative by the Department of Energy.

Chabot’s Automotive Technology Program will assist with curriculum development and local training for the systems and components that are emerging technologies with advanced alternative fueled vehicles. The grant provides for partnering with High Schools and Regional Occupational Programs, independent automotive technicians and facilities as well as fleet operators to develop the training material.

The agreement is in the amount of \$30,000 for the period December 1, 2009 through June 30, 2011.

Recommended Action: That the Board of Trustees approves the proposed master sub-recipient sub-award agreement with City College of San Francisco for electric vehicle training, Chabot College, in the amount of \$30,000 for the period of December 1, 2009 through June 30, 2011. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the document and any future augmentations or amendments on behalf of the District.
