

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

April 20, 2010

Agenda Item: 7.1

Subject: Approval of Grant Agreement – California Community Colleges Chancellor’s Office (CCCCO), District-Economic Development

Background: Chabot-Las Positas Community College District received a grant from the California Community Colleges’ Chancellor’s Office in 2007, to create a Workplace Learning Resource Center (WpLRC). The Center provides assessment and training resources for businesses and organizations in the Inland Bay Region (Region 4), which includes San Francisco, Solano, Sonoma, Marin, Napa and Contra Costa Counties, as well as the Peralta and Ohlone CCD’s. The Workplace Learning Resource Center was one of the state initiatives that had been established to assist the districts within the regions to better respond to the needs of their constituents.

This year, regardless of the length of the prior contract, all initiative grants had to be re-requested, and many of the colleges that had hosted Centers lost them due to budget cuts. Primarily because CLPCCD’s WpLRC has been responsive to its constituents’ needs, we were awarded the grant for another year to include Region 4’s and 3’s businesses and organizations. The Workplace Learning Resource Center grant is in the amount of \$205,000, and has a term of July 1, 2010 to June 30, 2011.

Recommended Action: That the Board of Trustees approves the proposed Grant Agreement for the California Community College Chancellor’s Office’s Workplace Learning Resource Center, District – Economic Development, in the amount of \$205,000, for the period July 1, 2010 to June 30, 2011. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the master agreement and any future augmentations or amendments on behalf of the District.
