

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

April 20, 2010

Agenda Item: 7.2

Subject: Approval of Grant Agreement – State of California Employment Training Panel, District-Economic Development

Background: Chabot-Las Positas Community College District received a grant from the State of California Employment Training Panel (ETP) at its meeting on March 26, 2010, under the Clean Energy Workforce Training Program (CEWTP). Although most ETP funds have been frozen due to the state budget issues, this funding is a pass-through using Federal Recovery funds, to help educate California’s workforce in the area of Clean Energy.

The District’s proposal was approved in the amount of \$164,650. However, funding will be reduced approximately 10% for this project (and all other CEWTP projects). The grant funds are available from March 29, 2010 to June 30, 2011, in the amount of \$148,185.

Recommended Action: That the Board of Trustees approves the proposed Grant Agreement for the State of California Employment Training Panel Clean Energy Workforce Training Program and District – Economic Development, in the amount of \$148,185, for the period April 21, 2010 to June 30, 2011. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the master agreement and any future augmentations or amendments on behalf of the District.
