Agenda Item: 7.3

Subject: Approval of Memorandum of Understanding –The California Maritime Academy, District-Economic Development

Background: The District’s Economic Development Department hosts the Chabot-Las Positas Community College OSHA Training Center (OTC). Courses presented shall include OSHA standards with emphasis on the maritime industry, occupational and environmental health and safety courses. The schedule of classes offered will coincide with The California Maritime Academy academic year to provide individuals seeking to improve their knowledge of maritime and industrial safety, and to develop required safety skills within industries affected by OSHA requirements. Expenses and revenue for the classes will be shared by both parties.
