

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

May 18, 2010

Agenda Item: 5.7

Subject: Approval of Award of a Piggyback Contract for Temporary Modular Buildings for Las Positas College

Background: Planned construction at Las Positas College will create the need to temporarily install three (3) modular buildings. The District Facilities Department staff has specified units that are available on a lease basis under a contract that was publicly bid and awarded by the Franklin-McKinley School District of San Jose, California.

Public Contract Code Section 20652 authorizes community college districts to “piggyback” on another public agency’s contract without further public competitive bidding. This recommendation provides for process and cost savings and allows for timely delivery and installation in accordance with construction schedules.

Recommended Action: That the Board of Trustees approves the proposed award of contract to McGrath RentCorp dba Mobile Modular Management Corporation of Livermore, California for temporary modular buildings for Las Positas College, in the amount not to exceed \$116,250. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments to this contract on behalf of the District.
