

LAS POSITAS COLLEGE  
CURRICULUM CHANGES

**2010-2011 CURRICULUM CHANGES**

**NEW DEGREES**

Environmental Science (AA)  
Mass Communications (AA)

**NEW CERTIFICATES**

Mass Communications—Career Certificate: Radio, 16 units

**NEW PROGRAM**

Environmental Science (EVSC)

**NEW COURSES**

General Studies 21, Introduction to Team Management, 2 units  
Mass Communications 32L, Radio Production Laboratory, 1-2 units  
Mathematics 100, Pre-Algebra and Algebra Review, 1 unit

**REVISED COURSES** (Some with new titles and/or new numbers or unit changes)

Biology 10, Introduction to the Science of Biology, 4 units  
Chemistry 1A, General College Chemistry I, 5 units  
Chemistry 1B, General College Chemistry II, 5 units  
Chemistry 12A, Organic Chemistry I, 5 units  
Chemistry 12B, Organic Chemistry II, 5 units  
Chemistry 30A, Introductory and Applied Chemistry I, 4 units  
Chemistry 30B, Introductory and Applied Chemistry II, 4 units  
Chemistry 31, Introduction to College Chemistry, 4 units  
Computer Information Systems 65, Introduction to Desktop Operating Systems, 2 units  
Computer Information Systems 71A, Keyboarding—The Alphabet, 1 unit  
Computer information Systems 71B, Keyboarding—Numbers and Symbols, 1 unit  
Computer Information Systems 71C, Skill Development, 1 unit  
Computer Information Systems 72A, Data Management, 1 unit  
Computer Information Systems 72B, Spreadsheet Integration with Word Processing,  
1 unit  
Computer information Systems 73A, Ten-Key Skill Development, 1 unit  
Computer Information Systems 88B, Advanced MS word, 1.5 units  
Computer Information Systems 89B, Desktop Publishing, 1.5 units  
Computer Networking Technology 50, Introduction to Desktop Operating Systems,  
2 units  
Computer Networking Technology 51A, CompTIA's A+ Essentials Certification, 2 units  
Computer Networking Technology 51B, CompTIA's A Practical Application  
Certification, PC Repair, 2 units  
Computer Networking Technology 54, Windows Client MS Networking Certification,  
3 units

## Las Positas College Curriculum Changes

Emergency Medical Services 61, Emergency Medical Services, 3 units  
    Changed from Health 61, First Responder, 2.5 units

Emergency Medical Services 62,  
Emergency Medical Services 70A, Community Cardiopulmonary Resuscitation, 0.5 units  
    Changed from Health 70A

Emergency Medical Services 70B, Cardiopulmonary Resuscitation for Health Care  
    Providers, 0.5 units, Changed from Health 70B

Emergency Medical Services 91, Emergency Medical Technician—Refresher, 1.5 units

English 1A, Critical Reading and Composition, 3 units

Geology 1L, Physical Geology Laboratory, 1 unit

Interior Design 52, History of Interiors and Furnishings, 3 units

Interior Design 54, Principles of Interior Design, 3 units

Interior Design 60, Materials and Resources, 3 units

Interior Design 62, Kitchen and Bathroom Designs, 3 units

Mass Communications 32, Radio Production, 3 units

Physical Education 17, Introduction to Athletic Training, 3 units

Physics 8A, General Physics I, 5 units

Physics 8B, General Physics II, 5 units

Physics 8C, General Physics III, 5 units

Physics 8D, General Physics IV, 5 units

### **DELETED/INACTIVE COURSES**

Astronomy 40, Observational Astronomy, 1 unit

Computer Information Systems 71D, Speed and Accuracy Improvement, 1 unit

Computer Information Systems 71E, Keyboarding Control and Development, 1 unit

Computer Information Systems 86, Overcoming Computer Anxiety, 1 unit

Health 60, Responding to Emergencies, 1 unit

### **CHANGES IN GENERAL EDUCATION REQUIREMENTS FOR AA/AS DEGREES**

#### Natural Sciences

Add: Environmental Studies 5, Energy and Sustainability, 3 units  
    Geology 5, Environmental Geology: Hazards and Disasters, 3 units  
    Geology 7, Environmental Geology: Resources, Use Impact and Pollution,  
    3 units

#### Social and Behavioral Sciences

Add: Early Childhood Development 52, Childhood and Adolescence, 3 units  
    Psychology 12, Lifespan Psychology, 3 units

#### Areas of Health

Add: Psychology 10, Human Sexuality, 3 units

#### Program-based GE Requirement

For AS Degree in Occupational Safety and Health:  
Ecology 10, Humans and the Environment, 3 units (Retroactive to Fall 2008)
