

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

August 17, 2010

Agenda Item: 5.6

Subject: Approval of Agreement—Walgreens Company for Pharmacy Technology Program, Las Positas College

Background: Las Positas College conducts an academic and experiential learning program in Pharmacy Technology. One of the requirements of the program is for students to gain experience outside the standard classroom setting.

Walgreens Company, a pioneer in pharmaceuticals, would like to provide the students in the Pharmacy Technology Program the opportunity to gain practical experiences at their retail store facilities. Through the Walgreens Retail Experiential Learning Program, and at no cost to the Chabot-Las Positas Community College District, Walgreens will assist in orienting the students, providing them with a thorough understanding of the practice field.

Recommended Action: That the Board of Trustees approves the proposed agreement with Walgreens Company for the Pharmacy Technology Program, Las Positas College, for the period of August 1, 2010 through July 31, 2015. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments to the agreement on behalf of the District.
