

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

February 15, 2011

Agenda Item: 5.5

Subject: Approval of Award to Selway Machine Tool Company for a Haas Vertical Machining Center for Building 1600, Chabot College

Background: Chabot College’s Applied Technology and Business Department has a need to purchase a Haas Vertical Machining Center which must match the existing equipment functions and controls for teaching and training purposes.

Chabot-Las Positas Community College District staff have conducted a market survey and determined that there is a limited supply of sources to meet these requirements. The manufacturer, Selway Machine Tool Company, is the exclusive authorized dealer of the Haas Vertical Machining Center. District staff determined that it is in the best interest of the District to purchase the Haas Vertical Machining Center from Selway Machine Tool Company located in Union City, California.

Recommended Action: That the Board of Trustees approves the proposed award to Selway Machine Tool Company of Union City, California in the amount including taxes, not to exceed \$89,765.00 for purchase of a Haas Vertical Machining Center for Building 1600, Chabot College. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments to the agreement on behalf of the District.

Funding Source: Measure B Bond Funds.
