March 15, 2011

Agenda Item: 4.2

Subject: Acceptance of Promise Neighborhoods Program Research Subaward Agreement with California State University, East Bay, and Chabot College

Background: Chabot College is entering into a Research Subaward Agreement with California State University, East Bay (CSUEB) for a total of \$29,572. The agreement is part of a U.S. Department of Education Promise Neighborhoods planning grant that CSUEB received in September 2010. Grant funds pay for planning activities with CSUEB and multiple partners as part of the Promise Neighborhoods Community. The Program is a model that builds a cradle-to-career continuum of solutions that target the Jackson Triangle in Hayward. Partners include the City of Hayward, 4C's of Alameda County, Eden ROP, Hayward Unified School District and Hayward Public Library. Chabot College agrees to participate as a Promise Neighborhoods partner to help build a continuum of solutions.

Funding for the project is in the amount of \$29,572 for the period October 1, 2010 through September 30, 2011.

Recommended Action: That the Board of Trustees accepts the proposed Promise Neighborhoods Program Research Subaward Agreement with California State University, East Bay, and Chabot College in the amount of \$29,572 for the period October 1, 2010 through September 30, 2011. It is further recommended that the Board authorizes the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments to the agreement on behalf of the District.
