

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

June 28, 2011

Agenda Item: 5.11

Subject: Approval of Agreement—Express Scripts, Inc. for the Pharmacy Technology Program, Las Positas College

Background: Las Positas College conducts an academic and experiential learning program in Pharmacy Technology. One of the requirements of the program is for students to gain experience outside the standard classroom setting.

Express Scripts, Inc. (ESI) is a pharmacy benefit manager that processes pharmaceutical claims for members at network pharmacies and at their own mail order pharmacies. ESI would like to offer an Experiential Learning Program to students in the Pharmacy Technology Program the opportunity to gain practical experiences at their store facilities. Through ESI, and at no cost to the Chabot-Las Positas Community College District, ESI will assist in orienting the students, providing them with a thorough understanding of the practice field.

The Board approved a similar agreement to provide training for the Pharmacy Technology Program with CVS Pharmacy on April 19, 2011 under item 5.7.

Recommended Action: That the Board of Trustees approves the proposed agreement with Express Scripts, Inc. for the Pharmacy Technology Program at Las Positas College, for the period beginning June 28, 2011, and shall continue thereafter for five (5) years. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement and any future augmentations or amendments on behalf of the District.
