In the event that the funding allocation or the funds available to First 5 changes, First 5 may determine, in its sole discretion, that it is necessary to reduce, eliminate or otherwise modify the funding to Contractor under this Agreement due to the unavailability of funds or First 5's assessment of its funding priorities. If First 5 elects to reduce or eliminate funding pursuant this provision, it will provide 30 days advance written notice to Contractor.

Termination Without Cause – Either party may terminate this Agreement upon 30 days advance written notice to the other party. In the event of termination, Contractor shall return any unspent funds and shall not be entitled to any further funds under this Agreement.

All services performed by Contractor must be in accordance with these laws, ordinances, codes and regulations. Contractor shall indemnify and save First 5 and County harmless from any and all liability, fines, penalties and consequences from any noncompliance or violations of such laws, ordinances, codes and regulations. A violation of such laws, ordinances, codes and regulations shall constitute a material breach of this Agreement and can lead to the termination of this Agreement and appropriate legal proceedings.

XVI. ACCIDENT REPORTING

If a death, serious personal injury, or substantial property damage occurs in connection with the performance of this Agreement, Contractor shall immediately notify First 5 by telephone. Contractor shall promptly submit a written report, in such form as may be required by First 5, of all

accidents which occur in connection with this Agreement. This report must include the following information: 1. name and address of the injured or deceased person(s); 2. name and address of Contractor's subcontractor, if any; 3. name and address of Contractor's liability insurance carrier; 4. a detailed description of the circumstances surrounding the accident, whether any of First 5's equipment, tools or materials were involved and the extent of the damage to First 5 and/or other property; 5. If Contractor has entered into this Agreement as a not-for-profit organization as defined by state and federal law, and is in receipt of funds from First 5 based on such status, Contractor shall at all times conduct its business in a manner consistent with that required of a not-for-profit organization by applicable laws.

XIX. DRUG-FREE WORKPLACE

Contractor and Contractor's employees shall comply with the County's policy of maintaining a drug-free workplace. Neither Contractor nor Contractor's employees shall unlawfully manufacture, distribute, dispense, possess or use controlled substances, as defined in 21 U.S. Code Section 812, including marijuana, heroin, cocaine, and amphetamines, at any County facility or work site. If Contractor or any employee of Contractor is convicted or pleads nolo contendere to a criminal drug statute violation occurring at a County facility or work site, the Contractor, within five days thereafter, shall notify First 5. Violation of this provision shall constitute a material breach of this Agreement.

XX. MODIFICATIONS TO AGREEMENT

First 5 shall assign a liaison to Contractor with respect to the performance of this Agreement. Unless otherwise provided in Exhibit A and/or B to this Agreement, any adjustments requested by the Contractor to line items of a budget or to the program description included as an Exhibit to this Agreement shall not alter (1) services or other performance to be provided under this Agreement, (2) the time of performance of any act hereunder, or (3) the total amount of money allocated hereunder. Only one budget revision is allowed per year and may be granted or denied per the assessment of First 5 staff. For all budget line item adjustments over 10%, a written justification for each line item should be submitted for approval. Budget line item

adjustments under 10% are not subject to a formal revision and may be shifted at the Contractor's discretion once per year.

This Agreement can be amended only by written agreement of the parties hereto.

XXI. OWNERSHIP OF WORK PRODUCT / INTELLECTUAL PROPERTY

Any work product developed by Contractor in performance of this Agreement shall be considered the work product of First 5 and upon termination of the Agreement, Contractor shall provide those materials to First 5 to the extent requested. In addition, it is the express intention of the parties that First 5 shall at all times be and shall remain the sole and exclusive owner of all rights of any kind whatsoever in and to the results and proceeds of First 5's and/or Contractor's services hereunder (the "Results").

Contractor warrants that, to the best of its knowledge and control, the Results are and will be original with Contractor in all respects (except to the extent based on material supplied by First 5), have not been and will not be exploited in any manner and/or medium, and do not or will not infringe upon the copyright, patent or any other right of any person or entity and properly attribute the use of any other sources from any person or entity. Contractor agrees to execute any and all other documents consistent herewith, which may be required to effectuate the purpose and intent of this Agreement, and agrees that First 5 shall have the sole and exclusive right to register in its own name the copyrights and any other rights in and to the Results. In addition, or alternatively, Contractor hereby irrevocably appoints First 5 as Contractor's attorney-in-fact to take such actions and make, sign, execute, acknowledge, and deliver all such documents as may from time to time be necessary to convey to First 5, its successors and assigns, all rights granted in this section. This provision is of the essence of this Agreement and shall survive termination of this Agreement.

EXHIBIT A

PROGRAM DESCRIPTION AND PERFORMANCE REQUIREMENTS

1. Background and Program Description

The California Children and Families First Act of 1998 (Proposition 10) created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age. The intent of this act is to enable counties to create and implement an integrated, comprehensive and collaborative system of information and services to enhance optimal early childhood development.

First 5 Alameda County has approved a Strategic Plan for a comprehensive system of early intervention services for children 0 to 5 years of age and families in Alameda County. The Strategic Plan is called Every Child Counts (ECC). A key component of the First 5 Strategic Plan is "Support professionals to provide high quality services to children 0-5 and their families" (2009-13 Strategic Plan, page 7). The services of the Contractor have been retained to develop and implement community college cohorts for Early Care and Education students to address barriers to obtaining an Associates Degree, enhance provider skills and improve the quality of care for children 0 to 5.

the abuse or neglect occurs in a licensed child care facility, it is expected that the Contractor will also file a report immediately to CCL.

Reporting suspected child abuse or neglect to First 5 or other persons is not a substitute for making a report to CPS or CCL. Reporting duties are individual and cannot be delegated to another person.
