Tram Vo-Kumamoto  
Dean  
Math & Science  
Chabot College  
25555 Hesperian Blvd., Room 2002  
Hayward, CA 94545

Dear Dean Vo-Kumamoto:

Dr. Edward Landesman asked that I send to you the enclosed Memorandum of Understanding for the Chabot College to join with the University of California in building introductory pathways for community college students who are exploring teaching careers in science and mathematics. The MOU covers the period September 1, 2011 through December 31, 2011.

Enclosed are two copies of the document. Should the MOU be acceptable to you, please arrange to sign both copies and return one copy of the MOU to me in the self-addressed stamped envelope. Please keep the other copy for your records.

If you have any questions about this document, please contact me at (510) 987-9504, [yvette.gullatt@ucop.edu](mailto:yvette.gullatt@ucop.edu).

Again, thank you for your interest and participation in this important venture.

Sincerely,

A handwritten signature in black ink that reads "Yvette Gullatt".

Yvette Gullatt  
Executive Director

Enclosures

**Memorandum of Understanding  
Support for the Community College Component  
Of the  
UC Science and Mathematics Initiative (CalTeach)**

The University of California Office of the President via the CalTeach Initiative hereby agrees to provide financial assistance from its Noyce Foundation award to Chabot College and its students exploring teacher careers in science and mathematics.

The funding provided the participating community college is:

- \$2,500 for development of program courses and administration

The funding covers the period September 1, 2011 through December 31, 2011. During the duration of the project, the participating community college will provide pertinent data on the students' in-class progress and field experiences.
