President, Board of Trustees  
Chabot-Las Positas Community College District  
Chancellor's Office  
5020 Franklin Drive  
Pleasanton, CA 94588

Re: Appointment of Trustee to Union City Oversight Board

Dear President Dvorsky:

As you are aware, the City of Union City has dissolved its redevelopment agency as required by ABX1 26. An Oversight Board is being formed to provide policy direction for the Successor Agency of the dissolved redevelopment agency. The Oversight Board is to include a representative from the community colleges appointed by California Community College Chancellor Jack Scott.

It is our understanding Chancellor Scott is looking for suggestions from the local community college district. Union City requests that the Board of Trustees nominate Trustee Arnulfo Cedillo as the representative for the Union City Oversight Board. Dr. Cedillo is a long time experienced trustee with the community college district and a resident of Union City. Dr. Cedillo would do an excellent job representing the interests of the college district and the community on the Oversight Board.

Union City would like to continue working Chabot-Las Positas Community College District to realize our shared vision of creating a Chabot College satellite campus in the Station District. Union City looks forward to Dr. Cedillo's participation on the Oversight Board to complete the vision of creating a Chabot College satellite facility.

Union City requests that the appointment be made by March 1, 2012. The Oversight Board will hold its first meeting at a date to be identified between March 1, 2012 and prior to May 1, 2012.

Please contact Redevelopment Successor Agency Manger Mark Evanoff if you have any questions (510) 675-5345, [marke@unioncity.org](mailto:marke@unioncity.org).

Sincerely,

Larry Cheeves  
City Manager

Cc: Joel L. Kinnamon, Ed.D., Chancellor  
Union City Mayor and City Council
