Agenda Item: 4.1

Subject: Acceptance of Grant—Nuts, Bolts & Thingamajigs (NBT) and The Foundation of the Fabricators & Manufacturers Foundation, International, Chabot College

Background: Chabot College was approached by a national foundation to launch the first Bay Area summer camp to encourage youth to learn about careers in machining and manufacturing. East Bay industries have a keen interest in establishing this youth program in the Bay Area and will participate in the summer camp. During two four-day weeks in Summer 2012, the camp will focus on skills and motivation for 12 to 15 campers between the ages of 12 and 14 through training provided by Chabot faculty. The NBT staff will assist with marketing and evaluation.

Recommended Action: That the Board of Trustees accepts the proposed grant from Nuts, Bolts & Thingamajigs (NBT) and The Foundation of the Fabricators & Manufacturers Foundation, International, Chabot College, in the amount of \$2,500. It is further recommended that the Board authorize the Vice Chancellor, Business Services to execute the grant documents on behalf of the District.
