MEMO: CEP 12-13

TO: CTE Transitions Project Directors

FROM: Debra Jones, Ed.D.
Dean, Career Education Practices Unit

SUBJECT: REVISED CTE Transitions Allocation 2012-13

The California Community Colleges Chancellor's Office received the final Perkins IV allocation from the United States Department of Education (USDE). The 2012-13 Perkins basic grant funding was increased by almost two million dollars. Ten percent of that funding is allocated to CTE Transitions. Consequently, each community college in a consortium will receive an additional allocation of \$1,678.00.

The updated allocations are found in the attachment to this communication: CTE Transitions 2012-2013 Allocation Listing REVISED. These revised allocations are to be used for completing the CTE Transitions Allocation application due on Tuesday, May 22, 2012.

Funding is non-competitive and categorized as allocations and not grants. Face-sheets are not required nor provided. This memo with the attached allocation listing is your proof of funding.

The CTE Transitions RFA related to this allocation is posted on the Chancellor's Office website under the following:
