

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

August 20, 2013

Agenda Item: 4.2

Subject: Approval of Transitions Grant 13-112-481 from the California Community Colleges Chancellor's Office (CCCCO), Chabot College

Background: State Chancellor's Office provides allocations to continue activities related to strengthening Career Technical Education (CTE) secondary and college linkages. This grant sustains and improves activities of the 12-13 CTE Transitions Grant approved last year.

The state grant provides \$44,025 in resources to support activities including strengthening of CTE articulation (2+2), increasing the actual number of recent high school CTE students who continue and enroll in Chabot CTE programs, and CTE outreach. This grant works with parallel activities embedded in the CTE Community Collaborative Grant and builds on partnerships and student success goals. There are no local matching requirements.

Recommended Action: That the Board of Trustees approves the Career Technical Education (CTE) transition Funding Grant 13-112-481 in the amount \$44,025 for the period August 1, 2013 to June 30, 2014. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the grant on behalf of the District.
