

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

March 18, 2014

Agenda Item: 4.3

Subject: Approval of Agreement – Commission on Dental Accreditation with Chabot College Dental Hygiene Program

Background: Chabot College Dental Hygiene Program is accredited through the Commission on Dental Accreditation (CODA). The Commission accredits dental and dental-related education programs and operates under the auspices of the ADA. The Institution based in Hayward, California, sponsors dental-related educational program(s), and desires to have such programs evaluated by the Commission for purposes of accreditation. Due to the recent changes in the HIPAA rules, CODA requires all institutions to sign the enclosed Business Associate Agreement.

The Term of this Agreement shall be effective as of March 18, 2014, and shall terminate upon discontinuation of the Institution in the Commission’s accreditation process, or on the date the Institution terminates for cause as authorized in paragraph 5(b) of this Agreement, whichever is sooner.

Recommended Action: That the Board of Trustees approves the proposed agreement with the Commission on Dental Accreditation with the Chabot College Dental Hygiene Program for the term commencing March 18, 2014. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement on behalf of the District.
