

Student Services
DRAFT as of 6/4/13

BP 5200 STUDENT HEALTH SERVICES

Reference:

Education Code Section 76401

NOTE: *If the District provides health services, this policy will be applicable, or insert current policy.*

Student health services shall be provided in order to contribute to the education aims of students by promoting health-oriented programs and services.

❖ **From the current CLPCCD Policy 5312 titled Student Services Health Plan**

Pursuant to the provisions of Title 5 ~~of the California Code of Regulations~~, a Student Services Health Plan is herewith adopted for the purpose of facilitating the physical, emotional, psychological, and social well-being of students thereby increasing their potentials for success in college. ~~This plan shall be developed and maintained by each college President.~~ The plan will provide guidelines for use in the District to meet the "Diligent Care" requirements of the Education Code. The plan shall relate to the District's resources, to its overall educational programs and services, and to the utilization of community resources.

EDUCATION CODE SECTION 76401

76401. The governing board of any community college district shall make such rules for the examination of the students in the community colleges under its jurisdiction as will ensure proper care of the students and proper secrecy in connection with any defect noted by the supervisor of health, or his or her assistant, and may tend to the correction of the physical defect.
