- Any person over the age of 18 and possessing a high school diploma or its equivalent.
- Other persons who are over the age of 18 years and who, in the judgment of the Chancellor or his/her designee are capable of profiting from the instruction offered. - Persons who are apprentices as defined in Labor Code Section 3077.

The District may deny or place conditions on a student's enrollment upon a finding by the Board of Trustees or designee that the applicant has been expelled within the preceding five years or is undergoing expulsion procedures in another California community college district, and that the applicant continues to present a danger to the physical safety of the students and employees of the District.

The District shall in its discretion, or as otherwise federally mandated, evaluate the validity of a student's high school completion. The Chancellor shall establish procedures for evaluating the validity of a student's high school completion.

The District may provide opportunities for high school students to enroll in courses at Chabot and Las Positas Colleges. The concurrent enrollment conditions and procedures for high school students to obtain credit (Education Code 76001) are described in the Administrative Rules and Procedures.

Any student whose age or class level is equal to grades 10 – 12 is eligible to attend as a special full-time student.

Any student enrolled in 10 – 12 may attend summer session.

The Chancellor shall establish procedures regarding ability to benefit and admission of high school and younger students.

Denial of Requests for Admission – If the Board denies a request for special full time or part time enrollment by a pupil who is identified as highly gifted, the Board will record its findings and the reason for denying the request in writing within 60 days.

The written recommendation and denial shall be issued at the next regularly scheduled board meeting that occurs at least 30 days after the pupil submits the request to the District.

The Chancellor shall establish procedures regarding evaluation of requests for special full time or part time enrollment by a pupil who is identified as highly gifted.

Claims for State Apportionment for Concurrent Enrollment – Claims for state apportionment submitted by the district based on enrollment of high school pupils shall satisfy the criteria established by statute and any applicable regulations of the Board of Governors.

The Chancellor shall establish procedures regarding compliance with statutory and regulatory criteria for concurrent enrollment.

The District shall provide in its policies and practices equal opportunity in the admission of students to educational programs and college activities to assure that there shall be no discrimination against any person on the grounds of gender, gender identity, gender expression, race, color, age, religion, national origin, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.
