

CHABOT-LAS POSITAS COMMUNITY COLLEGE DISTRICT

August 19, 2014

Agenda Item: 4.4

Subject: Approval of Master Sub Recipient Sub-Award Agreement - Jewish Vocational and Career Counseling Service (JVS), Chabot College

Background: In October, 2006 the Immigrant Nurse Reentry Program (INRP) and JVS began negotiations with Chabot College to provide education support for a population (foreign trained nurses) that needs help to re-enter the health care profession in the United States. With the new implementation of new nursing ratios for hospitals across the State, increasing pressure has come to bear on community colleges and other nursing education providers to increase their capacity to prepare Registered Nurses for employment in regional medical systems. The Chabot Nursing Program developed a 10 week course for RN Refresher nurses. In 2008 through 2013; 100+ students have completed this course. This project was funded through INRP and JVS.

Funding for Summer 2014 class of 18 students will be the sole responsibility of JVS. Chabot College provides the facilities and engages approved faculty to conduct the class. Alameda Health Services provides the clinical facilities at no cost to the school or JVS.

Recommended Action: That the Board of Trustees approves the proposed renewal of sub-agreement with Jewish Vocation and Career Counseling Service for the Immigrant Nursing re-entry Program and Chabot College for the receipt of the JVS grant monies to support the funding of this program in 2014. It is further recommended that the Board authorize the Vice Chancellor, Business Services, to execute the agreement on behalf of the District.
